Dear Ms. Dhillon:

Thank you for your congratulations. I feel honored to be the Democratic candidate for the 13th Assembly District. If elected, I will do my best to represent all Californians and be a leader on issues that are important to us all. My goals emphasize strong economic growth, affordable health care for all, public investment in quality public education, access to affordable housing, retirement security, open, honest and accountable government, and adoption of a State policy on immigration.

I am fully scheduled with my duties as a member of the Board of Supervisors, meeting with constituents and organizations, and fulfilling my responsibilities as a board member. My schedule does not permit me to participate in a debate. We are fortunate because voters have so many resources available to become educated on the positions of candidates for public office, including the Department of Election's Voter Handbook that is sent to all registered voters.

Sincerely,

Tom Ammiano
